Unveiling the 'S' in ESG from an employment law perspective

We are excited to invite you to our upcoming international client event focused on Environmental, Social, and Governance (ESG) criteria, particularly the "Social" component from an employment law perspective. This event will provide invaluable insights into social sustainability, exploring best practices, innovative strategies, and how businesses can positively impact society while achieving their sustainability goals.

June 18th, 2024
From 16:00 to 17:30 CET

Keynote Speakers and Topics

Marc De Vos

Professor of Social Law

"The Silent Transformation of EU Law"

Martin De Grom

General Manager, Technoform Insulation Solutions Belgium

"Implementation of a Group ESG Strategy on a Local Level - Challenges & Opportunities"

Marie-Anne Theodoroudis

ESG Consultant, Reciprocity

"Where Does Social in ESG Originate From and What Does It Aim to Achieve?"
